Either take a taxi (5-10 mins) or take the Tube two stops east on Jubilee line to London Bridge Tube station, then follow directions from LB Tube station.

### Parking

You can park on the streets near us AFTER 6.30pm on weekdays without paying. A good road for parking is Southwark Street (SEE MAP). Between 8.30am and 6.30pm there are parking meters on Southwark St and elsewhere and there are car parks nearby, on Southwark St (x2) and the Snowsfield NCP car park is at the entrance to Guy's hospital (links/map ref?)

### By Air

(From Heathrow/London City Airport)

Our offices are very easy to reach from both airports. From London City Airport, take a taxi (20 mins) From Heathrow airport to us by taxi would take about an hour and a half and cost at least £50. Cheaper and faster is to take the Heathrow Express train to Paddington station then the Tube to London Bridge (Bakerloo to Baker St then Jubilee to LB) - takes under an hour, costs about £16.
